

Road to WWI

Name _____ Date _____ Period _____

Across

- 4 It is an acronym to remember the 5 causes of WWI, but can also mean extremely excited, obsessed, or mentally ill.
- 8 This was one of the causes of WWI, and means economic or political control of a country.
- 10 A _____ System is a defense agreement among nations that if one is attacked, others will respond.
- 13 Focus on building the military strength of a country, whether offense or defense.
- 14 Extreme loyalty to one's nation above all else, this can lead to prejudice and violence.
- 15 The assassination of an Arch-Duke was important because the assassin was from this country (a member of the Allied Powers).

Down

- 1 LT _____ is your U.S. History II teacher (and a very odd guy).
- 2 He is the greatest superhero (don't you dare argue!).
- 3 Archduke Franz _____ was assassinated - thus setting off the system of alliances, resulting in WWI.
- 5 The _____ Powers included Bulgaria, Austria-Hungary, Germany, and more.
- 6 The _____ Powers included France, Italy, and the United States.
- 7 This "empire" was part of the Allied Powers.
- 9 Nationalism should not be confused with this, which merely means pride in one's country or flag.
- 11 The largest country in the world, they were part of the Allied Powers until 1917.
- 12 This "empire" was part of the Central Powers.
