There will be THREE key elements to this project and your final grade.

1. **Handout** – Filled out completely. Shows research, actually finding of info. Do not just guess, or go with “what you think is true”
2. **Powerpoint / Poster** – Free from errors, and typos. Country flag, at least three images. Overview of handout (not every little thing). Themes of Geography
3. **Your Presentation** – On time / prepared / emailed in advance. Rehearsed, and clear you know topic. Don’t just read slides... ADD TO TOPIC! Images / video / handout / anything extra.
If you have any objects, food, or posters to show or share, that will add to your points.

ALL Powerpoints must submitted using the FORM www.cptcurtis.com/geocalendar OR on a flashdrive. I recommend getting them to me BEFORE the day you are to present. It is YOUR responsibility to make sure it’s ready to go. Having to log into your email the day of is NOT acceptable (and you won’t be allowed to use my computer)
